

Kelly Frechette Named a 2023 40 Under 40 Recipient

At **Board Boss Drywall**, we believe in celebrating milestones, and today, we're thrilled to recognize our **Vice President and Co-Founder, Kelly Frechette**, for being named a **2023 40 Under 40 recipient** by the **Business Link Niagara!**

This prestigious award highlights **emerging leaders under 40** who have demonstrated excellence in their industry, made significant contributions to their community, and are shaping the future of Niagara through **business innovation, leadership, and impact.**

A Trailblazer in Construction & Entrepreneurship

Kelly's journey in the **construction industry** has been nothing short of inspiring. As the **co-founder of Board Boss Drywall**, she has played a pivotal role in growing the company into a **leading drywall contractor** in Niagara, working on some of the region's most significant residential and commercial projects.

Breaking barriers in a traditionally male-dominated field, Kelly has not only helped **scale the business to new heights** but has also become a **champion for women in trades**. She is deeply passionate about **mentorship, advocacy, and paving the way for more women** to pursue careers in construction and entrepreneurship.

Building More Than Just Business – A Commitment to Community

Beyond her leadership at Board Boss Drywall, Kelly is an **active contributor to Niagara's business community**. She holds a **board position with the Council of Ontario Construction Associations (COCA)** and is deeply involved in initiatives that support **workforce development, affordable housing, and real estate investment.**

Her recognition as a **40 Under 40 recipient** is a testament to her **dedication, resilience, and unwavering commitment to making a difference**—not just in business but in the broader community.

What's Next?

With this well-deserved accolade, Kelly remains focused on **expanding Board Boss Drywall**, supporting **the next generation of entrepreneurs and tradespeople**, and continuing her mission to make a lasting impact on **Niagara's construction and real estate landscape**.

We're incredibly proud of Kelly and excited to see what the future holds as she continues to **inspire, innovate, and lead!**
